

Club of the Year

Last year, Kings Forest Bowmen won the Club of the year. This year your club could reach the top.

Nominate your team at the end of each tournament, try to put a person in each category, no one can appear more than once. Check the possible styles for each category.

You get points for the score and position compared to the rest of the category. The more people you enter, the more points you get. You can have a different team at every event!

It's a great trophy for the clubhouse!!
