
Club of the Year - Revamped

To reflect the revisions to the Champion of Nations Teams, we have updated the Club of the Year award.

As with previous years, each club has the opportunity to earn points at each competition during the year. Simply fill in the form and hand it in at each tournament. The winning club at the end of the year will gain the trophy for their club house.

Look at the format below to create your team. Pick 1 **adult or veteran** archer per style. You can submit an incomplete team.

To calculate the winning team, we will compare the score shot to the National record in that style. The archer with the highest percentage in each group will be used, so only 4 archers count.

This method is more inclusive of bowstyle and gender, as it isn't the highest scores that win, but the archers who score highest compared to the records in their own style. We will use the records as published 1st Jan 2021.

Club Name:			
GROUP	STYLE	SHOOTING DIVISION*	ARCHER'S NAME
1	FU		
	BU		
2	FS		
	BL		
3	BB		
	BH		
	TR		
4	HB		
	LB
