

# Grant Pathways

There are numerous ways that your club can receive additional funding if you have a specific project in mind. Below is a list of a couple of current grants that are available (Dated: 22/04/23), there are many more available. Groups can be more successful when targeting local grants, available through local authorities and associations.

If you would like support in applying for a grant, please contact the development officer.

## Sport England grant

The main aims of this grant are to support community projects, those reducing impact on the environment and those working with disadvantaged communities.

Awards range from £300-£15,000, particularly aiming to help inactive and less active people becoming more active. There should be a specific project planned, closing date is 30<sup>th</sup> June 2023.

## National Lottery Community funding

This grant may be more difficult to receive than the Sport England Grant. The key aims are to build strong community relationships, improve community places, helping people meet their potential and supporting organisations that are directly affected by the cost-of-living crises.
