

Owing to the torrential rain and thunderstorms overhead the EFAA National Championships 2025 was abandoned at 2pm on Sunday 7th September, to ensure the safety of the members shooting.

The completed scores for Saturday 6th will be used to award the medals and team events.

It is recognised that some archers may have increased their position on the Sunday so the scores achieved on Sunday together with the targets shot have been included in the scores record.

The EFAA Committee took this decision as there is nothing covering this eventuality in either the EFAA or IFAA rule book.
